Did you know...

Your council has lots
of jobs to do!

For example...

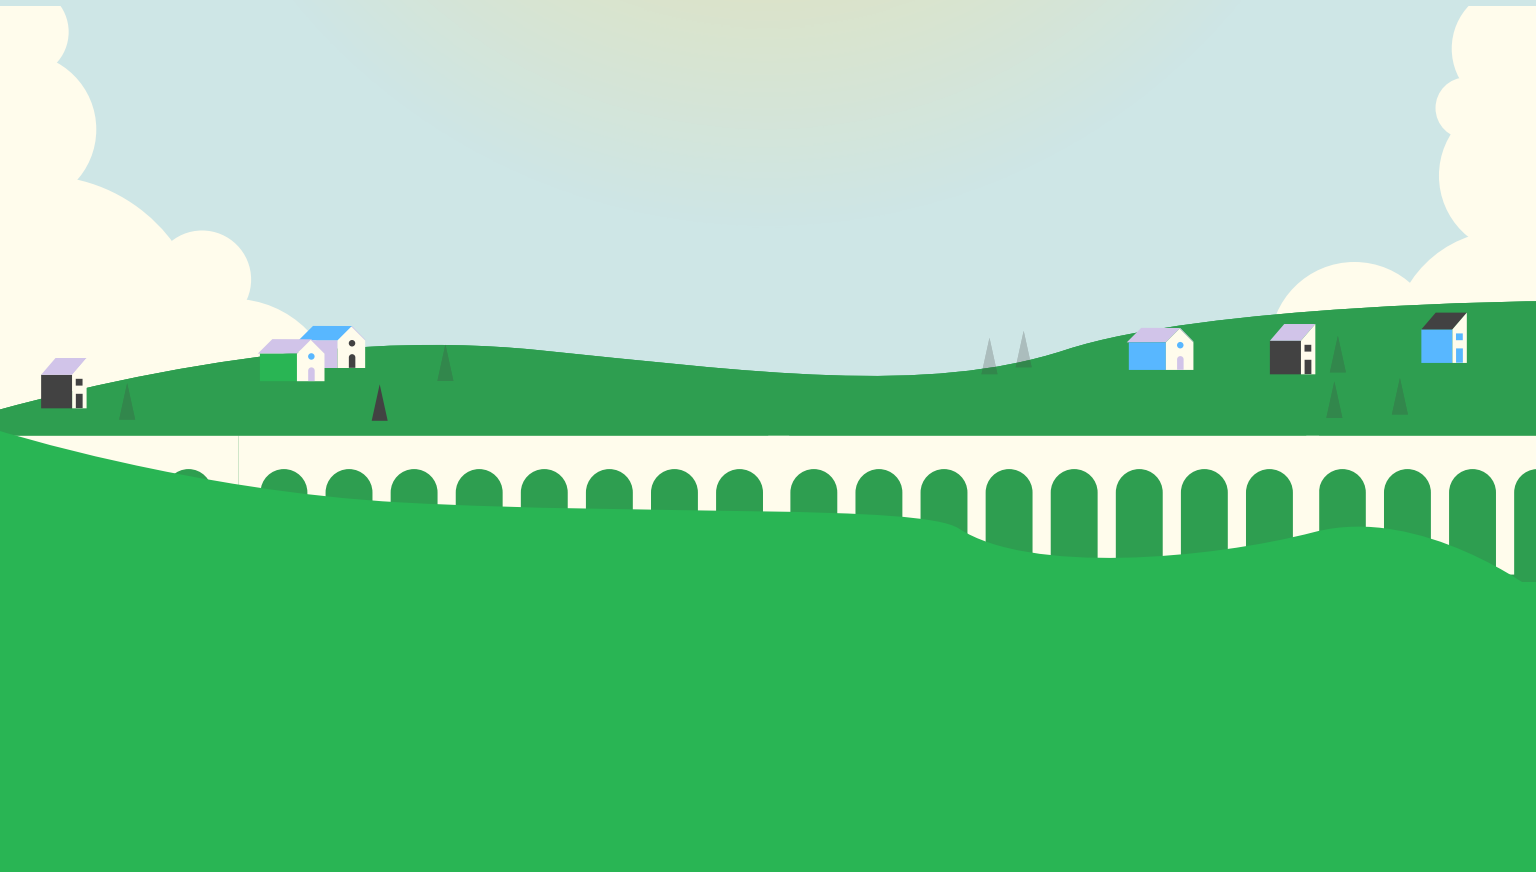

It is your Council' s job
to help care for all of the
animals and plants
in your community.

Your Council helps
everyone to have fun and
stay healthy.

It' s even your Council' s
job to help our transport
system link up.

And to make
sure
you and your
family
stay happy and
safe.

Your Council takes care of many
of the buildings you see around
you...

...and organises fun parties, so
everyone can celebrate and
learn about each other.

Your council helps to keep the
streets clean,
for everyone to enjoy
(including the plants and
animals!)

So let us know:
Out of everything we
do,
What is important to
you?

CARING FOR PLANTS AND ANIMALS

HAVING FUN AND STAYING
HEALTHY

WALKING AND BIKE RIDING
(GETTING AROUND)

FEELING SAFE

SHARING PLACES (SPORTS CLUBS,
LIBRARIES & PLAYGROUNDS)

GOING TO PARTIES AND FESTIVALS

RECYCLING

Remember, What you think
is very important, because it
will help your Council plan
for the future!
