

Key values

- a space for the local community
- fill the gap in neighbourhood park provision (medium to long stays)
- a space for socialising
- provide an accessible outdoor space for quiet enjoyment
- play provision

Principles for developing the design

- inviting, inclusive, sense of belonging for all
- demonstrate sustainability in construction, materials, plants and design principles
- Showcase Australian trees and plants – plants and herbs selection will include plants that can be easily grown in small residential lots
